**Shyla**

hurt matters much that someone had dumped it in the rack with the Nascar mags. I don't know how fast Shyla drives, but she's sure got my stick-shift grinding into 5th gear!

Sure, my wife ain't quite as happy about the whole arrangement. When I started taping up Shyla's pictures around the bedroom, she was a-hollerin' things like, "Who's that dumb young whore on the wall?" and, "Why is this page all wet?" Well, she ain't a-yappin' no more, cuz her reservations are buried six feet under (along with her favorite cookbook—that old bag never could make as much as a cup of coffee).

I keep that woman's trap shut by screwin' her a few times a day and she no longer minds that I'm staring at Shyla's shaved snazzy-ola and sweet, young titties and that big ole red dildo going in that bald snatch—how can the old lady mind when she gets the benefit of me fucking her more everyday than I used to give her in a mule's year. She didn't even mind when I got her "HOTTIE" panties like Shyla's, but I gotta say, there ain't no puttin' lipstick on a pig. Shyla is my gal, I don't care what the sea hag with the wedding ring in my kitchen is hollerin' about.

**Millard**  
Paterson, NJ

*Dear Millard,*

*Sounds like there are as many ways to please your wife as there are to skin a cat, not that we do the latter here in New York City. If the delightful body and cute-as-a-button face on Shyla is spicing up your love life, more power to you. Who knows, maybe your wife's cooking will improve now that you're*

**Dear HAWK,**

You can just pardon me for living, but I think Shyla is the cutest got-damn thing I ever done seen. You know how lucky you city slickers are, you put that doll on the cover of your magazine? Dang lucky, that's the way I tells it, cuz otherwise I may not have noticed your magazine at all. I guess it didn't

**Cali**

**Louisa & Dixie**

*giving her a little action. Of course, she no longer has her cookbook. Maybe we can get some recipes out of Shyla for a future issue!*

**Dear HAWK,**

As a big fan of dark-haired dames of the less-old variety (I'm 44), I feel like I have seen the prototype with the one they call Cali Luv. She obviously comes from a hippy family, and I remember some hippies when I was growing up, so that's kind of hot.

I like that she has some pubies, even if it's only a landing strip. That's cool, because I won't need any lights to land my jumbo jet on her runway. She's so cute when she gets undressed, first letting us see her kinda little boobies. They're so sweet and fun, I just want to suck on them all day like a tropical drink on a sunny day. But then she keeps on ditching the clothes and sure I'm gonna keep looking and once those green panties came off, I admit I had to do the same. Well, obviously I wasn't wearing panties, because those are for girls, I was wearing jockey shorts (because boxer shorts are gay).

I'm going to tell you like it is, and the way it is, I jerked off right then and there and I even plopped my load right there square on the tattoo on her back. That's right, my guy-drink on her ink. And I loved every moment of it.

**Lee**  
**Little Rock, AR**

**Dear Lee,**

*We love Miss Luv just as much as you do. She's a special gal and we were delighted by how eager she was to shoot and surprised by her*

*comfort level in front of the camera. The girl is a real natural and we expect to be seeing much more of her in the future.*

**Dear HAWK,**

One magazine, two girls. I'm no professor of mathematics, but I'm not sure that adds up. But who am I to let academia get in the way of my enjoyment of perfectly good erotica? Not me. Heck, I was a sociology major, whatever the heck that was supposed to get me!

But enough about me. I'm writing to tell you that Louisa Lanewood and Dixie Daytona are two of the hottest girls I've ever seen. I can't believe they don't just marry each other and get it over with. (Maybe they have, but since they have different last names I assume not, but who knows with today's young people?!)

My first love was Louisa, what with that fantastic triangular muff and those plump, natural knockers. But then Dixie runs a pretty solid campaign with her cuteness and great rack and five o'clock-shadowed snatch. They are so obviously hungry for each other, lapping endlessly at each other's snatch, sending the other into ecstasy I haven't seen since the '70s.

I have just one more thing to say: More lesbos! Yeah!

**Pete**  
**New York, NY**

**Dear Pete,**

*We love girl lovin' as much as the lesbians themselves, and with these two, the tits just keep on coming! They must have gotten each other off a dozen times each during the shoot*

*and who knows how many times before they showed up and after they left. They were beautiful homdogs and a pleasure to work with.*

**Dear HAWK,**

Sandy Summers is the hottest chick this side of the Atlantic or the other side either, I don't care. I love her blonde hair with the dark highlights and stuff. The nice boobies are just what my doctor ordered and that smooth vag, I gotta wonder if that's natural or if she gets the hair removed somehow. Maybe it just wears off from so much fuckin', I don't know. The way she plugs her hole with that dildo using her foot (what talent!), I gotta wonder what else she can do. I'm not wondering about one thing she can do: Me. That's right. And you can tell her I said so.

**Woody**  
**Okernah, OK**

**Dear Woody,**

*We've checked both sides of the Atlantic and well beyond, and Sandy is up there with the best of them. Why do you think she's in HAWK? Exactly. Only the best for Woody and our other esteemed readers. Follow your doctor's orders, she obviously knows what she's talking about!*

This Florida native first had sex with a guy on prom night when she was 18—isn't that sweet! And did we say that she LOVES ANAL SEX! Jenny Hendrix—we'd love to spangle your banner any time!

# HAWK ON THE SET

Story By Acme Andersson

**A**h, college. So much to learn, especially the three R's: Romping, ramming, and railing. There's probably other stuff, too, but what's a fresh coed supposed to do? Like, learn everything in the whole, wide world?! Geez, there's only so much a young mind can take at one time! We're not all like astronauts or something!

The first thing, naturally, is a little sex ed. Sure, they teach that stuff in the classroom, but what fun is that? It's much more exhilarating meeting guys on and around campus and learning everything they can from each. After all, everyone has some knowledge to share, don't they? There's only one way to find out.

Our five lovely girls here are all starving for knowledge and they're pretty good at finding teachers. We know guys like Michael Stefano, Mr. Pete, Mark Ashley, and Ralph Long are all willing to share their vast knowledge with willing college newbies, and these eager girls gain expertise they never could have expected. College is so much fun!

## RUBY RYDER

Ht: 5' 3"

Wt: 110

State: California

Guy: Michael Stefano

Michael's cock is a welcome sight to young Ruby, who is more than pleased to get her hands and mouth on that stiff piece of man-flesh. By all accounts she also seems to take great glee in having that rod smack dab in her fun-pouch. She's on top, but Michael does most of the work, gripping her ass and rising to the occasion of penetrating her pussy.

He turns her over with no problem, fitting perfectly between her legs as he drills her missionary and she talks dirty, telling him how terrific his cock feels, how perfect he's fucking her, diddling her clit, "You're fucking me so I'm gonna cum! I'm cumming! I'm cumming! I'm cumming again!" She then settles into a long series of yelps, finally catching her breath to tell him how nasty she is and how fucking perfect he's fucking her.

Mike takes a final run at her in a spoon, Ruby's body moving lovingly as he penetrates her. Hungry, she gets away and presents her face for a load. Her tongue is out, but she's not getting much of a taste—not with the blast that leaves a long white strand from her hair down to her nose as well her cheeks. She scoops some up with her fingers, gives it a taste. Deliciousness!

Ruby Ryder takes  
one inside her!

## MELANIE JAYNE

Ht: 5'4

Wt: 115

State: Minnesota

Guy: Mr. Pete

Melanie is best friends with Pete's sister, but that doesn't stop him from giving her the hard one when she comes asking for it. "Do you like fucking your sister's friend?" she taunts. "I never thought I'd be inside you," he says, his cock picking up steam. "Is this virgin pussy?" he asks, feeling her tightness. She confirms that it is. He slows his strokes and they take turns massaging her clit.

The belle of a blonde bends over and Pete shows no hesitation in romping with her doggie style. She licks her fingers and then slides them under her body, finally finding her clit, which enjoys the attention. She perks up higher and Pete pounds harder, grabbing on to her firm, shapely ass. Since it's her first time, he teaches her how to ride a cock. Her patent-leather shoes steady on his thighs, she moves up and down on his dong, her love-pita full of his meat.

Pete takes her from the side, still holding up her tartan skirt, slamming her until she has one final orgasm then pulling out to share his jizz with her. Melanie is most receptive, asking for it on her face and Pete gives the girl what she wants—a king-size glopping of goo that makes her pretty face just a tiny bit prettier. Who knew that was even possible?

Melanie  
makes it  
missionary!

## LAYLAH DIAMOND

Ht: 4' 11"

Wt: 105

State: Minnesota

Guy: Ralph Long

Laylah isn't doing so well in one of her classes so she hires a tutor, but even that proves too difficult for the sweet thing. She suggests he write her final paper for her and in return she will pleasure his penis like only a horny girl can. He agrees—more reluctantly than the rest of us would, that's for sure!—and soon she is nob-gobbling and then bent over on hands and knees, moaning loudly as his cock slides in and out of her coed cooze.

Showing she really knows how to work for her grade, she gets on top and rides him like an equestrian, no hands necessary to keep balance as she bumps and grinds bareback on his sizable drill. He then spoons her, holding one leg up over his shoulder as she holds her head up high to watch his massive member fill her smooth crotch, hollering encouragingly all the way.

Ralph thrusts in and out of her shaved girlhole and pulls out just in time to squeeze a load onto her face and into her mouth. She strokes him as she sucks him clean. Sadly, he has to leave so he can get started on her paper. Looks like it's A's all around!

Laylah is one  
dazzling  
Diamond!

## ROBYN TRUELOVE

Ht: 5' 4"

Wt: 118

Country: UK

Guy: Michael Stefano

Michael wants to take a bath, but Robyn wants to take one, too. While he offers to wait until she's done, Robyn's boyfriend isn't around and she's pretty riled up and in a matter of moments she has his towel on the floor and his dick deep in her mouth. Then she stands up, turns around, lifts her skirt to show off an amazing ass covered only by white, cotton panties. Michael compliments her greatly, then bends her over the tub and slides his cock in her vag from behind.

They both get into the tub and continue the same position as the water splashes around, and then he directs her to sit on the edge of the tub and play with herself a bit. She spreads her pink lips to show a gaping hole and Mike fills that gash with his dick as she uses both hands to keep her lips from getting in the way of his pumping. "Oh, that feels good," she whispers. "I like to watch that cock go deep inside my pussy!"

Michael holds her up, thrusting deep into her wet love-nest while sucking on her tit and exchanging dirty talk before dipping her into the bathtub to plop a load on her tongue. Looks like someone is going to need a bath and do some laundry. Naughty girl!

We wish we were knobbin'  
with Robyn!

## **RIKKI LOVE**

Ht: 5' 4"

Wt: 114

State: New Jersey

Guy: Mark Ashley

Rikki is one hungry girl, which is obvious by the ravenous way that she chomps on his choad. Long laps with her tongue, taking it deep into her throat, smiling widely every time she lets it escape her pie-hole for just a moment. This gets Mark at full attention and he puts his hard pecker to good use, spreading her legs wide and sinking in deep as she looks up at him, shouting, "Fuck me, your cock is so big, it feels so good, yeah fuck this little pussy, give it to me!" Her eyes widen a bit every time his entire shaft disappears into her wet hole, beautiful desperation in her eyes as he continues to plow away.

"Your cock is so big!" she screams as he gets on top, Rikki's legs spread into a big M shape, her bald pussy filled to the rim as she moans and follows his thrusts, which seem to go on forever, lucky girl that she is.

Completely fucked, Rikki gets on top and rides him hard, knowing that she can lure out his cream. "I want you to cum for me," she pleads, getting down on her knees, tongue out, hungry look on her face, taking it all in her mouth. Seeing another drop peeking out, she gets excited all over again. "I missed some!" and she dives back for his dick, taking that last lonely drop.

Sweet, young **Venus** is one adorable penis-pleaser. She's always ready to lift up her skirt and pull down her panties for some sexy fun. Did you notice that sensational set of buns? Well, Venus hasn't yet made the plunge to anal sex, but she one day hopes to . . . with the right guy, of course. "His dick can't be too big, and he'd have to be gentle with me," reasons Venus.
